Welcome to Week 1, Term 3!

Welcome back to school! Term 3 consists of lots more Literacy, Maths and Inquiry learning. Our topic this term is all about necessity and differentiating between our needs and wants. We will also enjoy Athletics Day, School Concert Preparations and more! Details to follow soon.

Grade 4s enjoying some team building games on the last day of Term 2!
The Parktone Community has learnt a lot about the 7 Habits and we are learning how to apply these habits at school and in our daily lives. The ideas included here are to help your family use these habits at home.

Demonstrate how saying the same phrase in a different tone of voice can give the phrase a completely different meaning. Try emphasizing different words in the phrase “I didn’t say you did it” and then have your child tell you how the meaning changed.

---

**This week in Grade 4:**

**Literacy:** This week students will revise various literacy skills including spelling and comprehension.

**Writing** In Writing students will draft and publish their own Personal and Academic goals. This term, students’ individual goals and each of the class goals will be based on one of our 3 School Wide Goals.

**Mathematics** This week will see students completing some assessment in order to identify major learning topics to focus on during Term 3. Students will also revise and further explore Symmetry and lines of symmetry.

---

**Other reminders/notice**

*From the Art Room for all of your donations this semester.
Mrs Poulter*

---

**Science Fact from Ms Ziogos**

Did you know that a candle flame typically burns at around 1000 degrees Celsius (1800 Fahrenheit), and scientists believe that humans began using fire to cook food in a controlled way around 1 million years ago.

---

Wishing you a wonderful week ahead,

*Jo Moriani 4M, Arran Armitage 4A, & Sophie Glover 4G*
