Scienceworks Excursion

“Scienceworks was awesome!” - Madison

“Scienceworks was really interesting and I definitely want to tell Ms Ziogos all about it because she will be amazed!” - Tay

“Scienceworks was one of the most amazing experiences I have ever encountered. I loved it when the scientist showed us special tricks with Liquid Nitrogen” - Emily B

The Grade 2 classes had such a great time at Scienceworks. They enjoyed Nitty Gritty Super City, Sportsworks, Alice in Wonderland and the COOL STUFF Science Show, complete with our very own scientist.

A special thanks to all the Parent Helpers who came and helped us on the excursion.

This week in Grade 2 the children will be focusing their learning on:

Writing - Poetry
Focus: Grammar

Reading: Meaning and Understand text
MAT

Mathematics - Post Testing

**Stars of the Week**

Ms Muscat is our Grade 2 teaching star for organizing our Grade 2 Scienceworks excursion! What a star! Thanks Ms Muscat!
If your child has siblings, ask each to identify what they think their brother or sister is really good at, then share the lists with each other and discuss how they could Synergise on homework, chores, playing games, sports, etc. If your child does not have siblings, you can do the same exercise using his or her friends—or you.

2015 Premiers’ Reading Challenge..........IT’s not TOO LATE TO REGISTER!
Keep counting down the days and stay motivated throughout the Challenge.

Science Fact with Ms Ziogos
Did you know that it would take light 100,000 years to travel from one end of the Milky Way Galaxy to the other?

Art Room Resources needed
If any families have wire coat hangers and blocks of wood from building projects the art room would love to take them of your hands. These will be used across some year levels to create indigenous sculptures over Term 2. Your donations would be greatly appreciated.
