Welcome back to Term 2! We are very excited to begin this new term and hope you all had a wonderful and safe holidays! Students last term were awarded with their Victory Medals! They were all very proud.
Use a morning routine checklist that is time bound to stick on the fridge to be ticked off each morning. Encouraging them to create it, sign it, commit to it and hopefully they are more inclined to action it. It really is a great way to encourage independence, accountability, responsibility and actively working on being proactive, planning ahead and prioritising.

**Congratulations to our Stars of the Week!**

**Science Fact from Ms Ziogos**

Did you know that electricity plays a role in the way your heart beats. Muscle cells in the heart are contracted by electricity going through the heart. Electrocardiogram (ECG) machines used in hospitals measure the electricity going through someone’s heart, when the person is healthy it usually shows a line moving across a screen with regular spikes as the heart beats.

**Other reminders/notices**

**Homework**

There will be no Mathletics task set this week, however students are still able to go on if they wish. Students are still encouraged to complete their reading each night!

**Japanese Day**

Tuesday May 5th will be our Japanese Day! More information to follow.

**Special Religious Instruction**

Special Religious Instruction is beginning this week. It will be on a Tuesday at 12:10pm.

**Soccer Clinic**

Students in Grade 1 will be participating in a soccer clinic on Tuesday afternoons for the next 3 weeks! This will be replacing their PE class for these weeks.

**Reading Helpers**

Doodle rosters for reading helpers will be sent home later in the week, so keep an eye out!

**Art Room Resources needed**

If any families have wire coat hangers and blocks of wood from building projects the art room would love to take them of your hands. These will be used across some year levels to create indigenous sculptures over Term 2. Your donations would be greatly appreciated.
