Welcome to Week 6, Term 3!

House Athletics Day was a lot of fun!
Well done to everyone for your fantastic participation!

4A—ready to go for House Athletics day

4M— the calm before the storm!

4G—Still smiling after an exhausting day of excitement
7 HABITS AT HOME

hat feeling? Take turns acting out feelings (happy, sad, bored, hurt, angry, hungry, etc.) without words. Try using appropriate actions rather than exaggerations.

Repeat. Try saying the phrase “I didn’t say you did it” varying the tone of voice and emphasising a different word each time and discuss the way it changes the meaning.

This week in Grade 4:

Reading: This week in reading we will be focusing on direct and indirect speech, with a particular focus on the types of texts that require each type of speech, and how to represent spoken text both directly and indirectly.

Writing: This week is an exciting week in the domain of Writing, as we embark on a five week unit of Narrative writing, with a particular focus on the text types of Traditional Tales. This week is a Content Creation week in Writing, where students will develop of a character, a setting, a problem and a solution that is typical to the Traditional Tales text type.

Mathematics: In Maths this week students will practise a range of maths skills at streamed levels as they work on a number of worded problems, with a particular focus using the RUCSAC strategy in order to solve them.

Other reminders/notices

DEODORANT

Many students in Year 4 are now at the age where we encourage the incorporation of deodorant into their personal hygiene routine of a morning. We ask if deodorant is brought to school (particularly on hot or sports days) that only roll on and not aerosol spray deodorants are used.

Winter Weather

Please ensure your child has warm and waterproof clothing to wear outdoors during the winter months, particularly on Mondays when children will be outdoors for assembly.

Wishing you a wonderful week ahead,

Jo Moriani 4M, Arran Armitage 4A, & Sophie Glover 4G

Congratulations to our Stars of the Week!

4G—Harison Townsend
For working hard during Writing time and displaying a positive and proactive attitude this week. Well done Harison—keep it up!

4M—Lucy F & Thomas Y
For being superstars throughout athletics day; they were positive and great sports persons from the events to the walk back to school. Well done you two!

4A—Ashton R
For showing a very proactive attitude in Maths and pushing herself to achieve more in her times tables. What a wonderful star you are!

Science Fact from Ms Ziogos

Did you know that Saturn is very light as it is made up of more hydrogen than helium so it is less dense. If we could fit Saturn into a bathtub it would float (but that would have to be one big bathtub!). Like Jupiter, Saturn has many moons which surround it.
