Students in Grade 3 last week participated in NAPLAN. The students were confident and hardworking and are to be commended for their amazing efforts. The Grade 3 teachers are all very proud of them and enjoyed the celebration last Friday for the end of NAPLAN.
7 HABITS AT HOME

If your child has siblings, ask each to identify what they think their brother or sister is really good at, then share the lists with each other and discuss how they could Synergise on homework, chores, playing games, sports, etc. If your child does not have siblings, you can do the same exercise using his or her friends—or you.

Science Fact from Ms Ziogos
Did you know that it would take light 100,000 years to travel from one end of the Milky Way Galaxy to the other?

Students are still encouraged to complete their reading each night! Mathletics is also set for all students.

PLAYING SPELLING GAMES WITH YOUR KIDS CAN BE GREAT FUN. JUST TRY A GAME OF BOGGLE OR SCRABBLE, EVEN A WORDSEARCH OR CROSSWORD. THESE WILL ALL HELP TO IMPROVE YOUR CHILD’S SPELLING!

Congratulations to our Stars of the Week!
