The students are doing a great job in their Smart Word sessions. They are really learning how to say, sound, spell, cover, write and check their words.

If you are feeling you would like your child to do more learning at home we encourage things such as Boggle, Scrabble or word searches to help with their spelling!

Awesome Artist

To Kylah 1S

Your artwork was so awesome you are Artist of the Week
7 HABITS AT HOME

Are you Proactive or Reactive?
When shaken, do you explode like a can of soda or stay calm like a bottle of water? Several classes at Parktone use this analogy to explain how being proactive and being in charge of yourself helps you keep calm.

If you realise you are about to be reactive, remind yourself to keep calm and write your thoughts down, make a checklist and seek support.

Congratulations to our Stars of the Week!
