Welcome to Week 11, Term 2!

This week in Grade 4 we caught up with our buddies from Grade 1 to Sharpen the Saw. They created talking sticks and then told each other stories!

The grade 1’s and 4 having a great time during buddies!

Sienna is having fun, fun, fun synergising with all her buddies.

Rory and his buddy showing off their talking sticks. They had so much fun telling each other stories and respecting the other person when they were speaking (a rule of the talking stick).
This week in Grade 4:

**Literacy:** This week students will be sharing their 7 habits presentations.

**Writing:** This week students will be collaborating all their writing skills in free writing.

**Mathematics:** This week will Grade 4 will developing their number and algebra techniques.

Other information:

Demonstrate how saying the same phrase in a different tone of voice can give the phrase a completely different meaning. Try emphasizing different words in the phrase “I didn’t say you did it” and then have your child tell you how the meaning changed.

Science Fact from Ms Ziogos

Did you know that camels can down 30 gallons (113 litres) of water in just 13 minutes. The water is stored in the camel bloodstream, while the fatty hump Rather than being stored in its fatty hump serves as a source of nourishment when food is scarce.

Hoping you have an enjoyable holiday and look forward to seeing you in Term 3.
