- Last canteen day

---

Last Tuesday the Grade Ones had a wonderful time exploring Scienceworks. Thanks to all that helped on the day!

---

We hope you and your families have a happy and safe holidays!
The Parktone Community has learned a lot about the 7 Habits and we are learning how to apply these habits at school and in our daily lives. The ideas included here are to help your family use these habits at home.

Demonstrate how saying the same phrase in a different tone of voice can give the phrase a completely different meaning. Try emphasising different words in the phrase “I didn’t say you did it” and then have your child tell you how the meaning changed.

---

**Congratulations to our Stars of the Week!**

<table>

**Science Fact from Ms Ziogos**

Did you know that camels can down 30 gallons (113 litres) of water in just 13 minutes. The water is stored in the camel bloodstream, while the fatty hump rather than being stored in its fatty hump serves as a source of nourishment when food is scarce.

**Other reminders/notices**

**Term 2 Wildly Important Goals**

All four classes successfully achieved their class WIG. On the last day of school we will be selecting a class reward to celebrate!

**Lost Property**

If everyone could please check to see if they have seen a jumper with the last name DANES or SELLYN on it could you please pass it along to Miss Campbell.

**Art**

View what students have been doing in art via: https://www.flickr.com/photos/parktoneartroom/
