Welcome to Week 7, Term 2! Excursion Fun...

4A are discovering all about dinosaur fossils from the museum expert.

Kobe checking to see if dinosaurs have tonsils whilst discovering all the delights of the museum.

Emma strikes a pose in her gorgeous 1980’s attire.

What a supermodel!
The Parktone Community has learnt a lot about the 7 Habits and we are learning how to apply these habits at school and in our daily lives. The ideas included here are to help your family use these habits at home.

Encourage win-win solutions to sibling disputes. Don’t always be the mediator; let them workout a solution and be sure to be lavish children with praise when they do.

This week in Grade 4:

**Literacy** This week students will continue to explore how authors and illustrators make stories exciting, moving and absorbing, using various techniques such as character development and plot tension.

**Writing** In Writing the students will be examining the devices used in the Narrative style of writing such as the development of a setting, orientation, conflict, resolution and moral.

**Mathematics** Maths this week will see students explore location as they use compass directions and grid point references to examine navigation and orientation through a range of experiences.

**Other reminders/notices**

**Winter Weather**

Please ensure your child has warm and waterproof clothing to wear outdoors during the winter months, particularly on Mondays when children will be outdoors for assembly.

**Art Room needs your help**

Mrs Poulter needs Arnotts Shapes boxes for next term. Please drop at the office or at the artroom.

**Science Fact from Ms Ziygos**

Did you know that the loud noise you create by cracking a whip occurs because the tip is moving so fast it breaks the speed of sound! When traveling through water, sound moves around four times faster than when it travels through air.

Wishing you a wonderful week ahead,

Jo Moriani 4M, Arran Armitage 4A, & Sophie Glover 4G
