Welcome to Week 3, Term 3!

Last week, we wrote recounts on our biggest achievement so far. It was great to reflect on our achievements and feelings before, during and after our special events. Here are a few of our proud learners with their fantastic work!

Mikey’s greatest achievement so far is winning the basketball grand final. He loved celebrating with his team after!

Cory’s biggest achievement so far is his cricket trophy for his batting average. He felt amazed and extremely excited!

Paige is very proud of her achievements in the Life Saving state competition. She feels overjoyed with this accomplishment!

Important Dates

7th Aug—Parktone Disco
Grades P-2 5:30-6:30
Grades 3-6 7:00-8:00

7th Sept—Reading Project due

Notices Sent Home Last Week

• Reading Project Author Study
• Parktone Disco
This week in Grade 4:

**Literacy:** This week students continue to practise their proof-reading skills as we work on improving the spelling, punctuation, grammar and more of given texts and our own writing. We will also look at adding words and phrases to colour our writing.

**Writing** In Writing students will plan, draft and edit a procedural text. We will revise the structure of a procedure and features involved in this text type.

**Mathematics** This week will see students explore the next step of learning division. We will look at representing division in a different way i.e. bus stop method.

**Other reminders/notices**

### Congratulations to our Stars of the Week!

### Newspapers

Needed in the Art Room. Donations greatly appreciated.

Thanks, Mrs P (Visual Art)

### Science Fact from Ms Zigos

Did you know that most of the dust in your home is actually dead skin! Yuck! and sneezing with your eyes open is impossible.

Wishing you a wonderful week ahead,

Jo Moriani 4M, Arran Armitage 4A, & Sophie Glover 4G
