March 9th
Labour Day—No School

Last week students again spent time with their buddies. Their buddy led them in a discussion on Be Proactive. Bunnings visited us last week and started our new Sustainability Garden. They built 4 fantastic vegetable boxes. A very BIG THANKYOU to the team at Bunnings as labour and resources were donated free to the school.

Notices Sent Home Last Week

- Nude Food Reminder
The Parktone Community has learnt a lot about the 7 Habits and we are learning how to apply these habits at school and in our daily lives. The ideas included here are to help your family use these habits at home.

Play a game with your child that has a definite winner. Explain how competition is fine when you play a game, but it is not okay in relationships. Discuss how tense it would be in your home if every situation had to have a winner. A better way to think is win-win. This means we think of solutions that we can all feel good about when there is a problem.

Other reminders/notices

Running Club

Thank you to all the students, parents and friends that joined us for our first training morning on Wednesday. It was very pleasing to see so many people start their day with some exercise. We are looking forward to your company again next Wednesday morning the 25th, on the school oval at 8.10 am.

If anyone wants to enter Run for the Kids. The pass word is Parktone. We would love to see as many participants as possible.

Compass Manager

Dear Parents,

We are excited to inform you that Parktone Primary School will soon be using Compass School Manager as a powerful tool for tracking student progress and keeping parents connected via our Parent Portal.

Using our Parent Portal you will be able to -

• View up-to-date school attendance information
• Approve or enter upcoming or past absences for your son/daughter
• Update your registered email and mobile number (used for SMS alerts) details
• Access information regarding upcoming events and news
• E-mail your child’s teachers
• Book your Parent/Student/Teacher conferences

In the near future you will also be able to -

• Access your child’s Student Semester Reports
• Download, print and approve upcoming excursions
• Pay school fees, camps and excursions

Once Compass is up and running in the school we will host a parent information evening to run through the basics of how to get the most out of the parent portal and to further explain how we are using compass to enhance student learning.
