**Notices Sent Home Last Week**

Subway Notice

Congratulations Parktone on achieving Lighthouse Accreditation! What a fantastic effort. Here are some photos from our Leadership week!
The Parktone Community has learnt a lot about the 7 Habits and the ideas included here are to help your family use these habits at home.

Nothing is more important than prioritising family time and ensuring there is a time set aside for family time each week. Playing board games are a great way to interact and also could align well with our new home activities policy. You could even go for a walk, plan and fix a meal together or visit the library. Looking at old family photos is another idea.

**SCIENCE FACT**

Did you know that pumpkins are usually labelled as vegetables but they contain seeds and are considered as fruit and technically speaking, strawberries aren't even berries!
