Important Dates

Monday 9th March
Labour Day (NO SCHOOL)

Notices Sent
Home Last Week

- Tennis lessons at school
- Kids fun Run
- Family Photo Notice

We had lots of fun learning with our buddies!
7 HABITS AT HOME

Habit 1 is Be Proactive- “I am in charge of me.” This Habit is the key to moving from dependence to personal reasonability. This means the child is in charge of their choices, the consequences of those choices, how they respond in every situation, and their personal belongings.

Ways to apply at home:
Allow choices: would they like the blue plate or the yellow, would they like to read or do a puzzle. It doesn’t matter how large or small the choice, practice matters. They can begin to take charge of what is going on in their own life.

Science Fact

Here are two interesting facts about foods that we eat.

Did you know that cutting onions releases a gas which causes a stinging sensation when it comes into contact with your eyes. Your body produces tears to dilute the irritant and remove it from your eyes.

Did you know that pumpkins are usually labelled as vegetables but they contain seeds and are technically fruit.

Home work

Take home books
Take home books will commence today. Children will take home a book to enjoy reading with you each night. Please ensure take home books are returned to school daily in communication folders.

Mathletics
A Mathletics task will be assigned each week for your child to complete at home for homework. Login details are pasted in the front of your child’s diary.
To complete the task simply logon to Mathletics and the assigned task will pop up.:)

Maths Online
Maths Online login details can also be found at the front of your child’s diary. Please note this is an optional activity. There will be no set homework tasks for Maths Online.

Green Crumpler Bags.
The Green Crumpler bags were sent home today. These bags are provided to every student and can be used as a library bag if you wish. If you have a different library bag at home feel free to use that in its place.
Library should begin within the next few weeks we will notify you of your child’s library day.
REMINDERS / NOTICES

ICT—DIGIT BEAR
Digit bear has now commenced. Each week a student will take digit Bear home and complete a scrapbook page showing us all the fun Digit Bear had with them!

During ICT the students will be exploring remote controls. If your child has any remote control toys it would be appreciated if they could bring them along to school on the days they have ICT to share with the class.

SHOW AND TELL
In Prep we enjoy giving each student the chance to get up and show and discuss something that is special to them. It gives them great confidence and encourages good listening skills. The students are allowed to bring one item each week on their designated day (a timetable was sent home on Friday). Please let your classroom teacher know if it is something precious that might need taking care of.

SUN SMART
Please remember named school hats and named water bottles every day. School hats are compulsory during Term 1 and 4.

FRUNIT SNACK
We have two fruit snacks in Prep. Our Prep students need a lot of energy to last the day, so could all parents please provide enough fruit for two fruit snacks so our little ones don’t get hungry.

NAMING ITEMS
Just a reminder to clearly name all items that come to school including, school bags, hats, jumpers, lunch boxes etc.

COMMUNICATION FOLDERS
Please remember to check your child’s folder for notices and sign their diary every day. Please make sure communication folders are sent back to school each day as well.

Parent Helpers
Please let your teacher know if you are available to help in our morning literacy sessions next week as our online roster system is not available yet.
