The Grade 2 children all presented their “Me Bags” last week and it was so nice to find out more about their talents and interests. A big thank you to the Grade 2 students for their effort in collecting and confidently presenting their “Me Bags”. Well done!

7 HABITS AT HOME

Habit 1 is Be Proactive- “I am in charge of me.” This Habit is the key to moving from dependence to personal responsibility. This means the child is in charge of their choices, the consequences of those choices, how they respond in every situation, and their personal belongings.

Ways to apply at home:
Allow choices: would they like the blue plate or the yellow, would they like to go to bed now or in 10 minutes, would they like to read or do a puzzle. It doesn’t matter how large or small the choice, practice matters. They can begin to take charge of what is going on in their own life.

Thank you!
A big thank you to all the parents that were able to make our Grade 2 Information Evening. It was so wonderful meeting so many parents!

Science Fact with Ms Zigos
Here are two interesting facts about foods that we eat.

Did you know that cutting onions releases a gas which causes a stinging sensation when it comes into contact with your eyes. Your body produces tears to dilute the irritant and remove it from your eyes.

Did you know that pumpkins are usually labelled as vegetables but they contain seeds and are technically fruit.
This week in Grade 2 the children will be focusing their learning on:

Writing - Narrative text
Grammar - Adjectives
Reading—Summarising/Retelling
Mathematics—2D Shapes

Last week the children met their Grade 5 Buddy. The children just loved Synergising whilst getting to know their older buddy.

Homework for Grade 2:
The children will begin their homework this week which we be the same every week.

1) READ their coloured book every school night and fill in their reading log.
2) MATHLETICS—to complete all teacher set tasks.

We look forward to learning with our buddies in 2015.
