Whole School Assembly begins
Easter Raffle

Monday 9 March
Labour Day

Notices Sent Home Last Week

◊ Procedure—Bring in a Recipe
◊ Run For Kids

This week in Grade 2 the children will be focusing their learning on:

Writing - Procedural texts
Grammar - Verbs
Reading - Identify the audience and feature of an informative text.
Mathematics - Fractions

Well done to all the Grade 2 children for another fantastic week, last week. The children learnt lots about 2D shapes, further developed their reading skills and wrote very creative Narrative stories with their toys as a main character etc. We have so many clever students who are proudly demonstrating our 7 Habits everyday!

This week we will be sending a letter home asking for parent helpers to assist with our Grade 2 reading program.

Looking forward to a wonderful week!
Courtney Voss, Bree Jones, Georgie Callanan, Laura Wapling & Teena Muscat

Choose an area of improvement at home, for example, painting a wall, a system for making lunch in the morning, saving up to buy something special, etc. and this is the goal (the end in mind).

Write down ideas with your child regarding what steps need to be followed to achieve the goal.

Science Fact with Ms Ziegos

Did you know that the brain uses over a quarter of the oxygen used by the human body.

Your heart beats around 100000 times a day, 36500000 times a year and over a billion times if you live beyond 30. Two very active body organs.
Compass School Manager

Dear Parents,

We are excited to inform you that Parktone Primary School will soon be using Compass School Manager as a powerful tool for tracking student progress and keeping parents connected via our Parent Portal.

Using our Parent Portal you will be able to -

• View up-to-date school attendance information
• Approve or enter upcoming or past absences for your son/daughter
• Update your registered email and mobile number (used for SMS alerts) details
• Access information regarding upcoming events and news
  - E-mail your child’s teachers
• Book your Parent/Student/Teacher conferences

In the near future you will also be able to -

• Access your child's Student Semester Reports
• Download, print and approve upcoming excursions
• Pay school fees, camps and excursions

Once Compass is up and running in the school we will host a parent information evening to run through the basics of how to get the most out of the parent portal and to further explain how we are using compass to enhance student learning.

Caleb Peterson
Assistant Principal

Run For The Kids

Thank you to all the students, parents and friends that joined us for our first training morning on Wednesday. It was very pleasing to see so many people start their day with some exercise. We are looking forward to your company again next Wednesday morning the 25th, on the school oval at 8.10 am.

If anyone wants to enter Run for the Kids our details are as below:
Username: Parktone Primary School
Password: Parktone
We would love to see as many participants as possible.

Anne Ziogos and Peter McGettigan.
