This week in Grade 2 the children will be focusing their learning on:

**Writing** - Procedural texts

**Grammar** - Revision of Nouns, Adjectives and Verbs

**Reading** - compound sentence with two or more and how they are read with expression

**Mathematics** - Time and seasons.

Congratulations to our Stars of the Week!

2Jv - Daniel—For working hard and always producing fantastic work, keep it up!

2C— Tom—For working hard, Putting First Things First and being a fantastic leader.

2W— Alex -For his excellent application of the 7 Habits. Well done for being Proactive and choosing great learning behaviours in the classroom!

2M- Sophie— For always trying her hardest and wearing such a lovely smile to school everyday!
The Parktone Community has learnt a lot about the 7 Habits and we are learning how to apply these habits at school and in our daily lives. The ideas included here are to help your family use these habits at home.

Play a game with your child that has a definite winner. Explain how competition is fine when you play a game, but it is not okay in relationships. Discuss how tense it would be in your home if every situation had to have a winner. A better way to think is win-win. This means we think of solutions that we can all feel good about when there is a problem.

**Science Fact with Ms Zigos**

Here is an answer to the old nagging question which came first the chicken or the egg? Scientist finally concluded that the chicken came first, not the egg, because the protein which makes egg shells is only produced by hens.

**Thanks to Bunnings for helping our school!**

Bunnings visited us last week and started our new Sustainability Garden by building 4 vegetable boxes. Bunning donated their labour and resources for free to our school. A BIG thank you for all their support towards our school.
