Happy Days………

It is great to see the Grade 2’s demonstrating the 7 Habits throughout Term 2. Many students Proactively helped others’ find somebody to play with at snack and lunch.

Well done to those students who continue to demonstrate that they are not only Proactive but also know how to Synergise with their level.

This week in Grade 2 the children will be focusing their learning on:

**Writing** - Report
Focus: Structure and purpose

**Reading**: Meaning

**Mathematics** - Measurement (length & width)

**Notices Sent Home Last Week**
No notices sent home this week
Stars of the Week

2JV - Curtis for his outstanding efforts all week! Keep Putting First Things First Curtis!

2C — Emily for always helping her teacher and classmates. You are a shining example of the 7 Habits. Well done, you are a superstar!

2W — Mia for always having a positive attitude and carrying her own weather every day. Thank you for always bringing a smile to school!

2M — Bailey for always synergising and being proactive about her learning. Bailey is such a superstar and even managed to get all her Subtraction Maths Test correct! Well done, Bailey!
The Parktone Community has learnt a lot about the 7 Habits and we are learning how to apply these habits at school and in our daily lives. The ideas included here are to help your family use these habits at home.

Encourage win-win solutions to sibling disputes. Don’t always be the mediator; let them workout a solution and be sure to be lavish children with praise when they do.

2015 Premiers’ Reading Challenge............IT’s not TOO LATE TO REGISTER!

Science Fact with Ms Ziogos
Did you know that the loud noise you create by cracking a whip occurs because the tip is moving so fast it breaks the speed of sound! When traveling through water, sound moves around four times faster than when it travels through air.
