Important Dates

Wednesday September 2nd
Father’s Day Stall

Thursday September 3rd
Concert Night

Friday September 4th
Father’s Day afternoon

Our week in Grade 2

Last week in Grade 2 we had a fantastic time with two dress up days and an incursion - what a week! On the last two pages we have some more great photos from some of these events.

Our next ‘Big Rock’ and priority is preparing for our concert. It is coming up very soon so we would love it if students could practise dancing and singing at home ready for the big night!

Have a great week!

Courtney Voss, Bree Jones, Laura Wapling, Georgie Callanan, Teena Muscat and Andy White

This week in Grade 2 the children will be focusing their learning on:

Writing - Narrative writing — Science Fiction

Reading: Use comprehension strategies to build literal and inferred meaning.

Mathematics - Comparing mass using balance scales and measuring length informally and formally.

Father’s Day Afternoon/BBQ

Friday 4th September

Dear Parents,

We would like to invite all fathers, grandfathers, uncles or special friends along to our 2015 Parktome Father’s Day afternoon. The details are:

When: Friday 4th September
Time: 2:40pm-3:30pm

Fathers, grandfathers, uncles or special friends are to make their way to their child’s classroom at 2:30pm. If you have more than one child at the school, they will be in the eldest child’s classroom. We will then stagger the times for heading to the BBQ for a sausage.

Please feel free to bring along any basketballs or footballs you would like to use during the afternoon.

We look forward to seeing you there!
Grade 2 Concert and Dance practise reminder

2MV & 2C
99 Red Balloons

Girls and boys: Black pants/shorts/skirt, black shoes and a white T-Shirt. Girls hair: High ponytail with a red ribbon.

Please ensure the white T-shirt is clearly named and brought to school by Monday 27th of July. We will be sewing a red balloon to the T-shirt at school.

2W & 2JW
Ruby

Girls: Black leggings, white singlet and black flat shoes. A red skirt will be provided on the night. Hair: High pony tail with a red ribbon.

Boys: Black pants, black shoes and a red singlet

As you will know we have started preparing for our upcoming concert. Above are details about what your child will require for their costume.
The Parktone Community has learnt a lot about the 7 Habits and we are learning how to apply these habits at school and in our daily lives. The ideas included here are to help your family use these habits at home.

Make a “wish poster”. Start by drawing a line down the middle. On one side, write, cut, and paste magazine pictures of things you want. On the other side, cut, paste, or write the items your parents want. Together, look at your “wish poster”. See how you can work with each other to make both your wishes and your parents’ wishes come true!

Science Fact with Ms Ziogos

Did you know that while aluminium is the most common metal found in the Earth’s crust, the most common metal found on Earth is iron, mostly because it makes up such a large part of the Earth’s core. Aluminium is also a good conductor of heat and is often used to make cooking pots.

Star of the Week

2C — Evie M for being an awesome actor at the Drama Incursion. Also, for trying so hard during Reading Rotations.

2W — Ashley — For fantastic work during our fairytale Writing unit. Well done!

2MV — Shelley — For always wearing a beautiful smile at school and being so Proactive.

2JW — Nick S — For working hard and using his voice to help others in class.
